"We are honored to be named to the Inc. 500|5000 again this year, and we're proud to be recognized among the leading enterprises that drive the U.S. economy," said Sasson. "Even in the recession, we have experienced record revenues and are extremely thankful to our loyal customers and employees who have made this possible."

In a stagnant economic environment, median growth rate of 2012 Inc. 500|5000 companies remains an impressive 97 percent. The companies on this year's list report having created over 400,000 jobs in the past three years, and aggregate revenue among the honorees reached \$299 billion.

"Now, more than ever, we depend on Inc. 500/5000 companies to spur innovation, provide jobs, and drive the economy forward. Growth companies, not large corporations, are where the action is," says Inc. Editor Eric Schurenberg.
