Wichita, Kansas ([PRWEB](#)) August 27, 2013 -- Artist Become ([ArtistBe.com](#)), the online community for contemporary artists around the world, announced today it will be opening its doors for artists to join the community for free until the end of the year. Artist Become is the latest venture by the online art gallery [overstockArt.com](#).

Artist Become, <http://www.ArtistBe.com>, is an online platform providing tools and resources to enable emerging and established artists to pursue their artistic and professional goals. Artists can create a profile and upload an unlimited quantity of their artwork. Artist Become allows artists to exhibit, promote, share and sell their artwork via the online gallery. Until the end of the year, membership is open to all qualifying artists. The final date to join is scheduled for Tuesday, December 31.

Why join this community? Artist Become is looking for talented contemporary artists to join the community and become top-rated members of the site. The artists who will join Artist Become during this period will be able to list an unlimited art collection, sell their original art with no commission fees and enjoy 15% royalty for every canvas print sold. Artists should create a membership at <http://www.ArtistBe.com> and activate an artist account.

Unfortunately not all artists can join; the works will go through a systematic elimination process, determined by Artist Become's staff members. Works will be judged by quality of the image loaded, subject matter, and a good fit to the Artist Become community.

“We are looking for talented artists who will be creative and original. We are calling out artists who believe in themselves to come join our vibrant community of contemporary artists,” said David Sasson, CEO of overstockArt.com. “Artist Become will give its member artists the unique opportunity to share and sell their work to art enthusiasts around the world without any commission fees – something they cannot do by displaying their artwork at a local gallery.”

Artwork on Artist Become can be purchased as an original piece of art, or as an affordable canvas transfer painting. Like overstockArt.com, Artist Become has arranged its content into a variety of different galleries specified by artist, subject, style and type - artists will dictate how this online art community will look in the future. The site is extremely user-friendly and easy to navigate.

“Since its inception in 2002, overstockArt.com has established itself as the go-to source on the web for purchasing art reproduction oil paintings,” stated Sasson. “Our goal for Artist Become is similar – to become the web’s go-to source for purchasing artwork of contemporary artists around the world.
