The new service came about a recent customer survey where the company identified customer insecurities about what art to hang on their walls.

To get a private and complimentary wall decor session simply fill out the form on the [Decor Assistance page](#). Next, a wall decor expert will schedule a time to meet with you in a private session where you can raise all of your decorating needs and wants.

“At overstockArt.com we view customer service as a distinct part of our company culture. It is our mission to give each and every customer the best all-around shopping experience when buying art online,” Sasson continued. “This new service illustrates our intense focus on our customers’ satisfaction.”
